ABOUT ME

I am a skilled graphic designer with expertise in magazine and layout design but also passionate to create design of all types - print, web, corporate, video. I have creative

mind, constructive thinking and good workflow automation. I work quickly and with precision with a wide range of softwares and I easily master new ones. I work on a highly professional

level with Adobe Photoshop, Indesign, Illustrator, Acrobat, Adobe Premiere, After Effects and high-level with Cinema 4D, Corel Draw, FontLab Studio and more.
